Netball

Court Measurement: - 30.5m (33.35yds) in length by 15.25m (16.68yds) in width. This includes the width of the line.

Court Sections: - 3 sections made up of the 10.17m / 10.16m / 10.17m (11.12yds / 11.11yds / 11.12yds) each, creating a centre third and two goal thirds.

Centre Circle: - Diameter 0.9m (1yd) measured in the centre of the outside edges of the court.

Goal Circle: - Radius is 4.9m (5.36yds) taken from the middle point of the goal line.

Safety Margins: - Need to be marked 2m (2.2yds) outside the main court markings at the goal ends (this is called the "End Runoff") and 1.5m (1.64yds) outside the main court markings at the side of the court ends (this is called the "Side Run Off").

Lines: - All lines are typically white, and 5cm (2in) wide.
