

Tennis

Court Measurement: - The court shall be a rectangle, 23.77m (78ft) long and, for singles matches, 8.23m (27ft) wide. For doubles matches, the court shall be 10.97m (36ft) wide.

Centre Service Line: - 12.80m (14yds) long. Parallel to the sidelines directly in the middle of the court and meets perpendicular at the service lines.

Centre Mark: - 10cm (3.9in) long marked directly in the middle of the baselines at both ends of the court.

Service Line: - 6.4m (7yds) from the centre of the court and 8.23m long, on either side of the Centre Service Line.

Tramlines: - 1.37m (1.5yds) from the outside edge of the sidelines on either side of the court.

Run-Back Side-Run: - Recommended maximum 6.4m (7yds) to minimum 5.49m (6yds).

Side-Run: - Recommended maximum 3.66m (4yds) and 3.05m (3.4yds) minimum

Net: - 0.914m (3ft) high and 12.8m (42ft) long. This is placed in the centre of the court dividing the court into two equally sides.

Lines: - The centre service line and centre mark shall be 5cm (2in) wide. The other lines of the court shall be between 2.5cm (1in) and 5cm (2in) wide, except that the base lines may be up to 10cm (4in) wide and these are normally white.
