

Volleyball

Court Size: - A standard court is 18 metres long and 9 metres wide, divided into two 9 x 9 metre courts by a one-metre wide net placed so that the top of the net is 2.43 metres above the centre of the court for men's competition, and 2.24 metres for women's competition (these heights are varied for veterans and junior competitions). There is a line 3 metres from and parallel to the net in each team court which is considered the "attack line". This "3 metre" line divides the court into "back row" and "front row" areas.
